

TERMS AND CONDITIONS OF QUOTATION

Inclusions

The supply of products, installation and commissioning of the system quoted.

Exclusions

- The upgrade of single phase power to three phase power (if required).
- Boxing in droppers, chasing cables, building bulkheads, suspended ceilings or floors, wall or slab penetrations if required for the air conditioning.
- Hire of crane or hoist for the installation of the system if access is limited.
- Repair of roof and/or ceiling if there is an existing air conditioning system that cannot be removed.
- Any acoustic attenuation required as a result of the air conditioning system.
- Any costs in regards to installing within or the removing of asbestos in walls, floors, or ceilings.
- Any alterations to the installation design made necessary due to changes by the customer.
- Air Balancing if ducting was not sized up and installed by us.

Delivery

Logic Air Conditioning & Electrical may have the air conditioning componentry delivered to site prior to the installation. The customer will be responsible for this componentry thereafter.

Delays

Logic Air Conditioning & Electrical is not liable for any loss caused to the customer or anyone else from any delays to the air conditioning installation caused by weather, labour disputes, unavailability of materials or any other cause beyond our control.

Warranty

Your air conditioning equipment is covered by the manufacturer's Parts and Labour Warranty, which is supported by their own Service Division and Spare Parts Centre.

- Residential warranty 5yrs
- Commercial Warranty 1yr

Warranty does not include the cost of restoration or the removal of any structure in order to obtain adequate access to perform warranty work.

Proof of purchase will be requested by the air conditioning manufacturer in the case of a warranty claim.

No warranty on previously installed parts not installed by Logic Air Conditioning & Electrical.

Payment Terms

Payment for all work is required upon completion of installation.

- 10% Deposit upon acceptance of quotation
- 90% Final Balance payable upon Completion of System.

Ownership of goods will remain with Logic Air Conditioning & Electrical until payment is made and cleared. Logic Air Conditioning & Electrical reserves the right to remove goods which have not been paid for.

Licence

Logic Air Conditioning & Electrical is fully licenced by the Department of Fair Trading for Electrical, Air Conditioning and Refrigeration.

Validity

This quotation will remain valid for 30 days. After this time we reserve the right to requote to satisfy any price increases in materials.
